## THE GENERAL RULES.

It is therefore expected of all who continue in this church that they should continue to evidence their desire of salvation—

First, by doing no harm, by avoiding evil of every kind, especially that which is most generally practiced: such as—

The taking of the name of God in vain;

The profaning the day of the Lord, either by doing ordinary work therein, or by buying or selling;

Drunkenness, or drinking spirituous liquors, unless in cases of necessity.

*Fighting*, quarreling, brawling; brother *going to law* with brother; returning evil for evil, or railing for railing; the *using many words* in buying or selling;

The *buying or selling goods that have not paid the duty*;

The *giving or taking things on usury*—i. e., unlawful interest;

*Uncharitable or unprofitable* conversation, particularly speaking evil of magistrates or of ministers;

Doing to others as we would not they should do unto us;

Doing what we know is not for the glory of God: as,

The *putting on of gold and costly apparel*;

The *taking such diversions* as cannot be used in the name of the Lord Jesus;

The *singing* those songs, or *reading* those books, which do not tend to the knowledge or love of God;

Softness or needless self-indulgence;

Laying up treasures upon earth;

Borrowing without a probability of paying, or taking up goods without a probability of paying for them.

It is expected of all who continue in these Societies that they should continue to evidence their desire of salvation,

# KNOX BROS. POSTON & CO.

You will find in our store at all times a well assorted and up-to-date stock of fine Dress Goods. Trim-mings, Silks, etc., embracing all the newest weaves and most popular designs.

## Special Millinery Department.

We particularly invite you to call and see the splendid specimens of Millinery shown by us at all seasons of the year. Designed by our expert Milliners and made of the best materials. Our New Millinery Department is not surpassed by any other in the city.

## Full Line of Clothing and Gent's Furnishings.

Well tailored and in strictly up-to-date quality. A look at our clothing, the price and quality considered, will convince you that we can save you money on it.

## Shoes.

Our Famous Crawford & Jones Means shoes for men, and the Irwin Drew and Victress for ladies, are world-wide known and need no words of commendation other than we have secured the agency for them in this city.

We give trading stamps all through the different lines with all goods purchased. Premiums given for returned stamps in Roger Bros. Silverware, China Ware, Glass Ware and Cutlery. Remember the place.

# KNOX BROS. POSTON & CO.

544 South Center Street, Statesville, N.C.

Secondly, by doing good, by being in every kind merciful after their power, as they have opportunity, doing good of every possible sort, and, as far as possible, to all men:

To their bodies of ability which God giveth, by giving food to the hungry, by clothing the naked, by visiting or helping them that are sick or in prison;

To their souls, by instructing, reproving, or exhorting, all we have any intercourse with; trampling under foot that enthusiastic doctrine, that "we are not to do good unless *our hearts be free* to it."

By doing good, especially to them that are of the household of faith, or groaning so to be; employing them preferably to others, buying one of another, helping each other in business; and so much the more because the world will love its own, and them *only*.

By all possible *diligence* and *frugality*, that the gospel be not blamed.

By running with patience the race which is set before them, *denying themselves, and taking up their cross daily*; submitting to bear the reproach of Christ, to be as the filth and offscouring of the world, and looking that men should say *all manner of evil of them falsely for the Lord's sake*.

It is expected of all who desire to continue in these Societies that they should continue to evidence their desire of salvation,

Thirdly, by attending upon all the ordinances of God such are,

The public worship of God;

The ministry of the word, either read or expounded;

The Supper of the Lord;

Family and private prayer;

Searching the Scriptures; and

Fasting, or abstinence.

## PASTORAL ADDRESS.

*Dear Brethern and Sisters:*

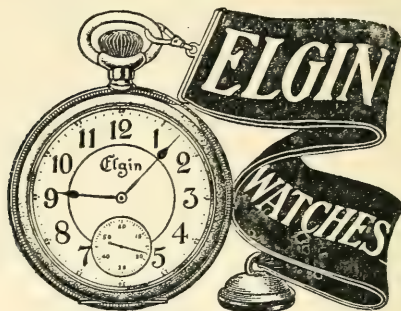

“The Church is of God, and will be preserved to the end of time, for the promotion of his worship and the due administration of his word and ordinances—the maintenance of Christian fellowship and discipline—the edification of believers, and the conversion of the world. All, of every age and station stand in need of the means of grace which it alone supplies; and it unites all alike to become fellow-citizens with the saints and of the household of God.”

Your prayerful attention is invited to some matters of primary importance on this pastoral charge:

1. Our Sunday school work:

The importance of this work cannot well be over estimated. I fear it is not duly appreciated by our people. Every church should have as many on the Sunday school roll as on the church register. Every church member should consider himself (or herself) a member of the Sunday school. Your membership makes you a member of the Sunday school, and you should so regard yourself and try to meet the responsibility accordingly. Others may “join” the Sunday school. You have already “joined” by joining the church. This institution should be regarded as the church including the children meeting in God’s house, on his day, to study his word. All others are invited to come and “join” in the same study, but church members are under the most solemn obligation to be there.

2 The finances of the church are of great im-

portance. By referring to the historical table published in this directory, page 39, you will see that this charge never pays out in full. If it ever did, it was more than 21 years ago. This stigma should no longer attach to us. These claims are all needed for the operations of the church and are no more than we can and ought to pay. Let us henceforth present a balanced account to Conference.

3. The North Carolina Christian Advocate is the organ of our conference. It is a paper worthy the patronage of every Methodist family. As your pastor I would advise you by all means to subscribe for and read your church paper. Put it into your homes for the use of yourself and family. The price is a trifle considering the value.

4. Finally: give diligence to fashion your lives after the word of God. Make the Bible your daily companion. Study it carefully and prayerfully to know the will of God and strive constantly to do His will. Pray in secret regularly and faithfully. Heads of families should by all means establish and keep up the family altar. It will prove a great help to both parents and children. Be regular and faithful in your church going. Deny yourselves the pleasure of going elsewhere, because duty calls you to your own church whenever there is service there. Let your lives be worthy patterns for others to follow. "Let your light so shine before men, that they may see your good works, and glorify your Father which is in Heaven."—Matt. 5: 16. And may God help you to "grow in grace and in the knowledge of our Lord Jesus Christ."—2nd Pet. 3:18.
